Grapevine Information:

- Grapevine disburses donations to organizations monthly, once they've reached the processing threshold of \$100. When we make a disbursement, we also send an email to let the nonprofit know and provide any relevant details.
- If a nonprofit is part of the Bill.com network, they will receive a disbursement via direct deposit. If they are not part of the network, they will be contacted via email with the option to join the network in order to receive direct deposits. If they accept, the disbursement will be made via direct deposit. If they do not accept, the disbursement will be sent via check in the mail. Note: There is no fee for a nonprofit to join the Bill.com network to receive funds, they'll just need to use the link in the email that is sent to them from bill.com immediately prior to disbursement.
- Grapevine has partnered with Social Good Fund, a 501(c)3 public charity (EIN 46-1323531), to facilitate all donations. This is a Donor Advised Fund that distributes funds to nonprofits. Nonprofits will see that donations will come through Social Good Fund.
